

School Plan 2009 – 2012

VISION

Yule Brook College is a small, caring and supportive learning community that encourages students and staff to achieve their potential through the approach of 'One Student at a Time'.

Our students become responsible and contributing community members through a strong focus on the principles of Big Picture schooling, which encompass:

- Small by design and the power of one on one in Advisory groups
- Personalised learning that pursues passions
- Families and community – grow a culture
- Learning through internships and authentic assessment – make it real

PRIORITIES 2009 – 2012

To implement this vision, teachers focus on the following priorities.

<i>Personalised curriculum</i>	<i>Real world connection</i>
<p>The school develops a learning environment in which each student's needs are well known by teachers.</p> <p>Learning plans are developed with students and care-givers to reflect these needs.</p> <p>Students are supported to identify their learning needs and styles, and to discover and learn through their interests and passions.</p>	<p>Parents are partners in their child's learning.</p> <p>Students regularly demonstrate accountability for their progress to parents, teachers & their peers through public exhibitions.</p> <p>Opportunities are provided for students to apply their learning beyond the school.</p> <p>Students are encouraged to use their learning to make a community contribution.</p>
